

YouTube

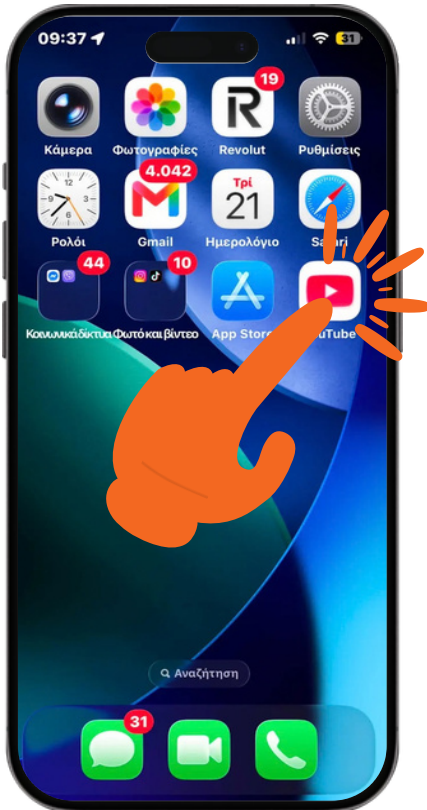

YouTube is a free app that lets you watch videos on any topic, from news and music to tutorials and documentaries, through the internet. It is one of the most widely used video apps in the world, so it is very likely that your family or friends already use it.

Searching for a Video.

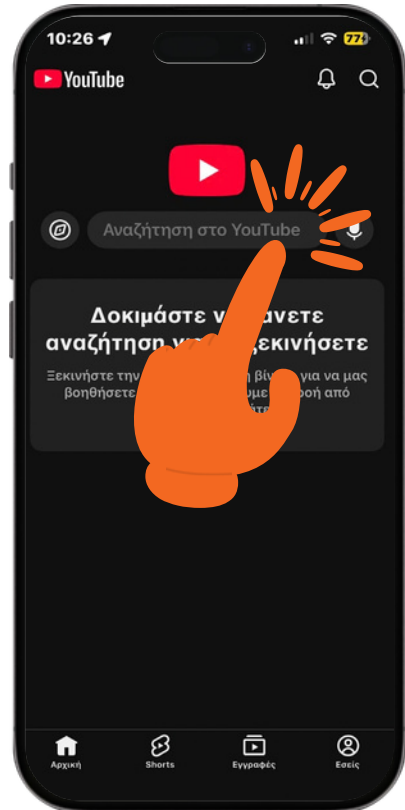

1. Find and open YouTube

Locate the YouTube app icon on the Home Screen and tap it to open it.

2. Open Search

Tap the search bar at the top of the app.

YouTube.

Searching for a Video.
