

YouTube

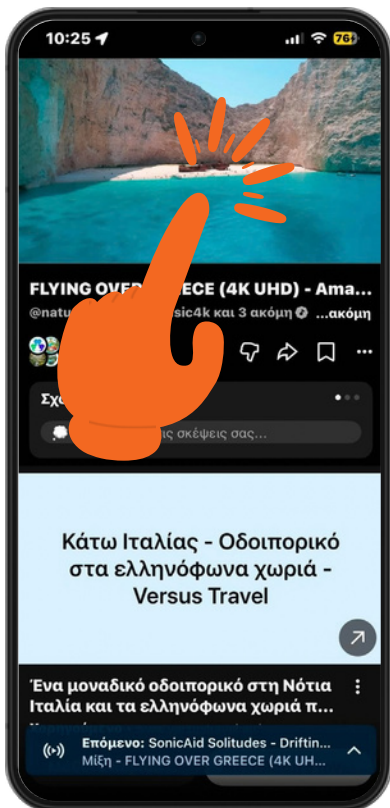

YouTube is a free app that lets you watch videos on any topic, from news and music to tutorials and documentaries, through the internet. It is one of the most widely used video apps in the world, so it is very likely that your family or friends already use it.

Play, Full Screen, Pause. How to close a video.

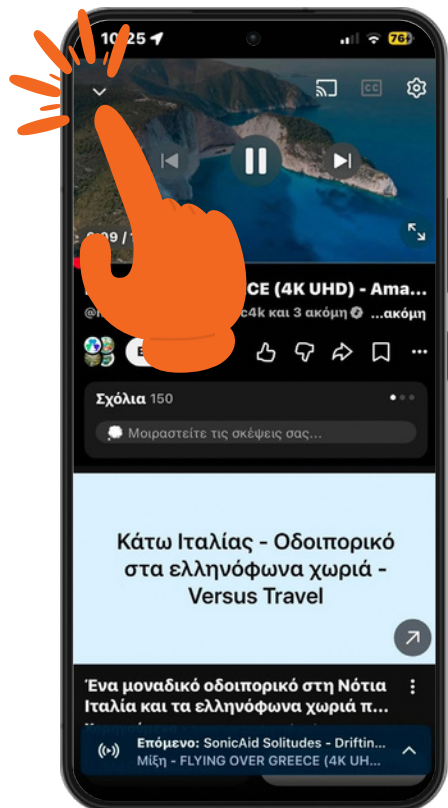

1. Show the video controls

Tap the video to display the controls menu.

2. Minimise the video

Tap the downward-facing arrow in the top-left corner of the video to minimise it.

YouTube.

Play, Full Screen, Pause. How to close a video.

3. Close the video

The video becomes small
and an “X” icon appears.
Tap it to close the video
completely.
