

Internet Safety.

In this section, you will learn how to use the internet more safely. You will see how to recognise suspicious messages and scams, protect your personal information, and create secure passwords.

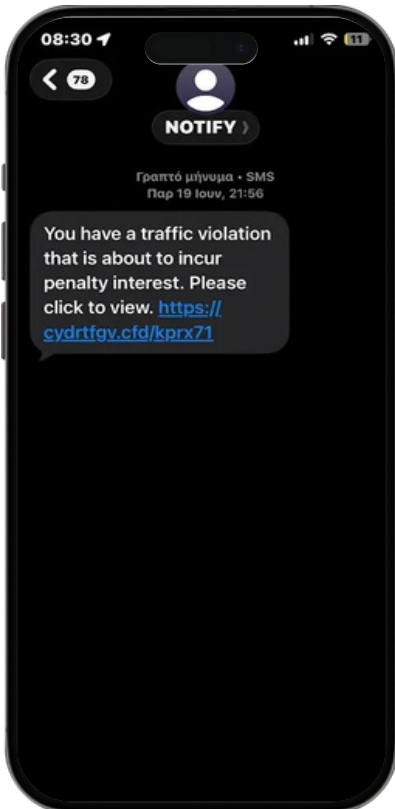

Find an educational
video on our website:

Blocking an Unknown Number.

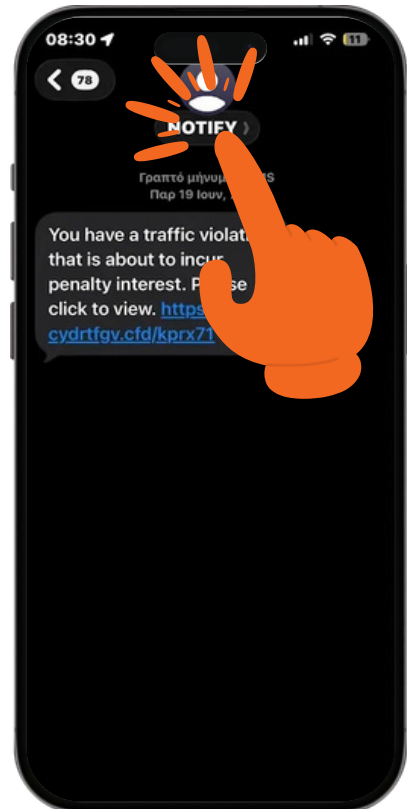

1. Open the contact you want to block

Find and open the contact associated with the suspicious message or call.

2. Tap the name or profile icon

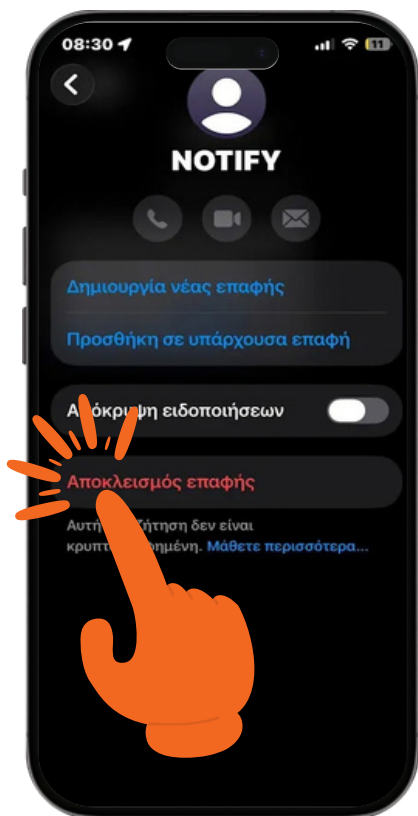

Tap the contact's name or profile icon with your finger.

Blocking an Unknown Number.

3. Tap “Block Contact”

Tap the “Block Contact” option to begin the process.

4. Confirm the block

Tap “Block Contact” again to confirm the action.
