

Internet Safety.

In this section, you will learn how to use the internet more safely. You will see how to recognise suspicious messages and scams, protect your personal information, and create secure passwords.

Find an educational
video on our website:

What to do if something goes wrong.

1

Stop. Do not tap anything else.

2

Put the phone down.

3

Call someone you trust.

4

**Contact the relevant helpline,
shown below.**
