

# Internet Safety.

In this section, you will learn how to use the internet more safely. You will see how to recognise suspicious messages and scams, protect your personal information, and create secure passwords.

Find an educational  
video on our website:

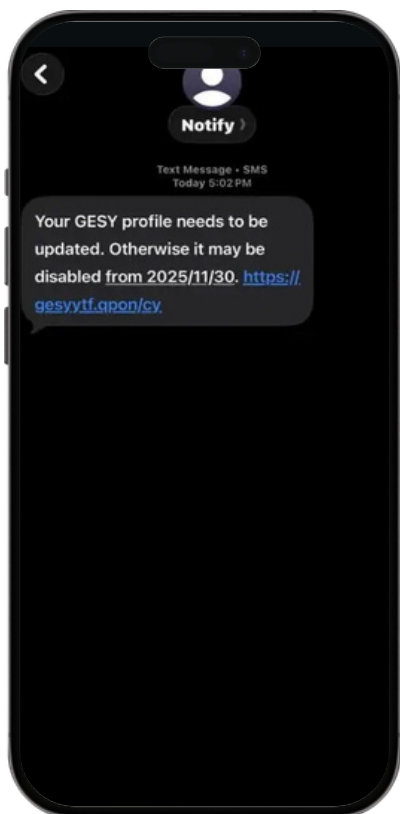

## Recognising fake Bank or GeSY messages.

### Examples of scams

---

An SMS asks you to click a link, claiming that your GeSY profile needs updating or it will be deactivated.

An SMS asks you to call a number, claiming that a suspicious transaction has taken place in your bank account.
