

Google Chrome.

Google Chrome is the app you use to browse the internet from your Android mobile phone. It lets you search for information, open websites, and save pages so you can easily find them again later.

Google Chrome.

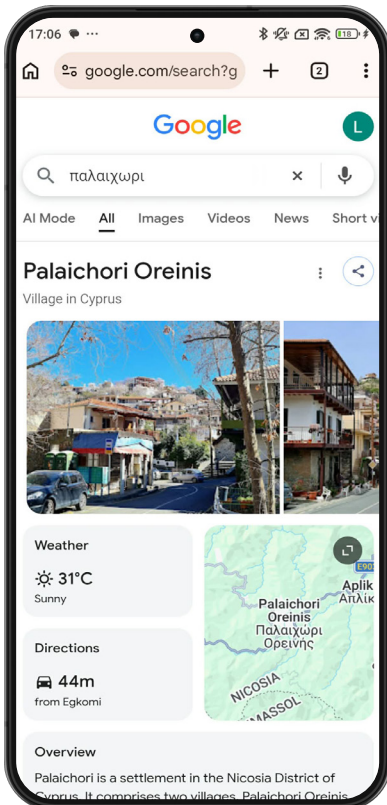

Bookmarks in Google Chrome.

A bookmark is like marking a page you like, so you can find it again easily without searching for it from the beginning.

How to add a page to your bookmarks.

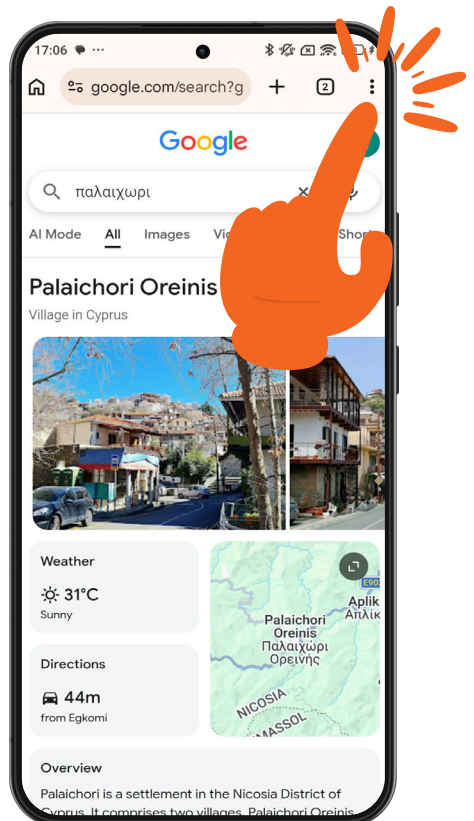

1. Open the page you want

Go to the website you want to save.

2. Tap the three dots

Tap the three dots at the top of the Google Chrome screen.
