

The Viber app.

Viber is a free app that lets you send messages, make calls, and make video calls to anyone who also has Viber, through the internet, at no charge, even if they are in another country. It is one of the most widely used communication apps in Cyprus, so it is very likely that your family already uses it.

The Viber app.

Creating a group chat.

A Viber group chat is a conversation in which many people can talk together, not only two people. You can send messages and photos that everyone in the group can see, for example, your family or friends.

The Viber app.

Creating a group chat.

1. Find Viber

Swipe through the Home Screen to find Viber.

2. Open the app

Tap the Viber app icon.
