

The Viber app.

Viber is a free app that lets you send messages, make calls, and make video calls to anyone who also has Viber, through the internet, at no charge, even if they are in another country. It is one of the most widely used communication apps in Cyprus, so it is very likely that your family already uses it.

The Viber app.

Installing Viber and creating an account.

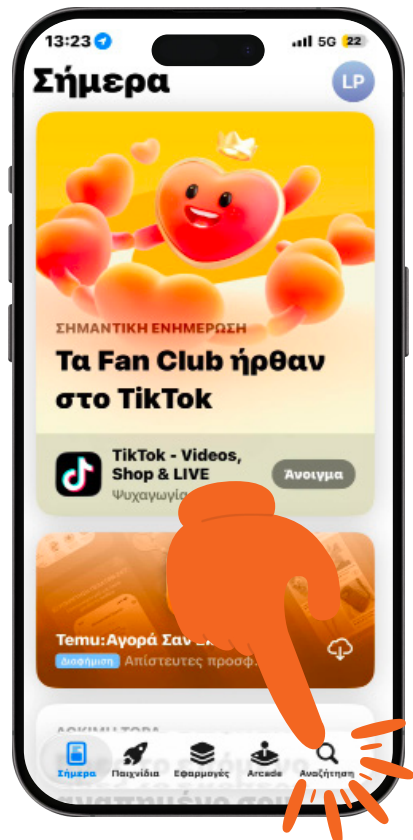

1. Find and open the App Store

Find and open the App Store app on your device.

2. Go to Search

Tap the search icon.
