

Apps.

Apps are the small programs on your phone: one for calls, another for photos, etc.

How to open an app.

Tap on the icon of the app you want, on the home screen or in the list of all apps.

If the app is inside a folder, you must first open the folder and then tap on the app.

How to delete an app.

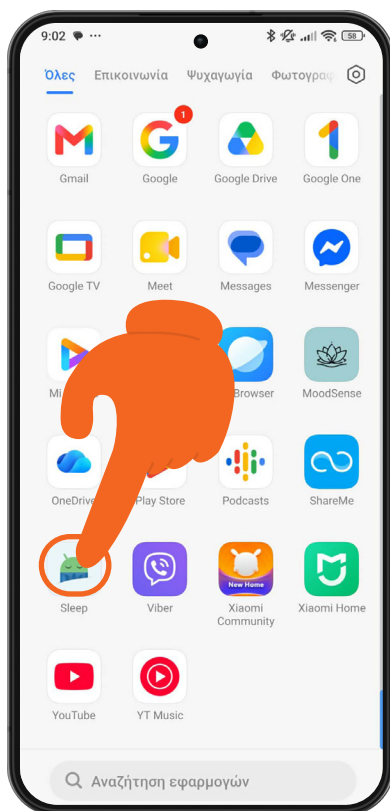

1. Go to the list of all apps

Swipe your finger upward (swipe up) on the home screen to see the list of all your apps.

2. Locate the app and long-press it

Find the app you want to delete and press and hold on it until a menu appears.

3. Select the trash icon

Tap the trash can (delete) icon.

4. Confirm your choice

Confirm the deletion when prompted.

Important: If you are not on the page with all your apps, but do the same on the home screen, the phone will simply remove the app's icon from the home pages, without actually deleting it.
