

Apps.

Apps are the small programs on your mobile phone: one for calls, another for photos, and so on.

How to open an app.

Tap the icon of the app you want, on the Home Screen or in the list of all apps.

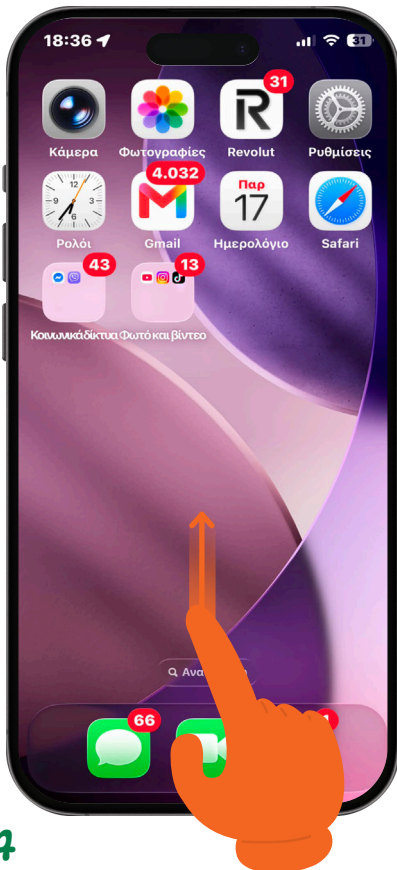

If the app is inside a folder, first open the folder and then tap the app.

How to fully close an app.

1. View open apps

Swipe up from the bottom of the screen and stop halfway so that all open apps appear.

2. Close the app

Swipe the preview of the app you want to close upwards to close it completely.
